History -

Sleepy Hollow Bed & Breakfast, a charming
country style Cape Cod home, was founded
and built by the Gappa's who first opened
their doors to guests in 1996.

Sleepy Hollow now welcomes its guests with
new innkeepers, Kareena and Jim Hayes,
who are eager to make your vacation stay as
comfortable as possible.

Guests are invited into a warm and friendly
country atmosphere, nestled within six
picturesque acres, overlooking a neighboring
horse farm and a beautiful pond.

The property is secluded, yet close to a wide
variety of attractions in the area. Sit back and
relax in a rocker on the 40' front porch where
deer, turkey and other wildlife are seen
regularly, or enjoy a stroll through the
beautiful garden areas by the gazebo and koi
pond. Plenty of bread is available for feeding
the fish.

On site you will find satellite and internet
service, videos for the kids, cozy fireplaces
and fantastic photographic opportunities.
